

Inaugural Edition 001

December 1, 2023

## This Could Be Our Last Newsletter

And YES, We know it's our first...

But we've watched the newsletters from other people. They seem to come out too often, whether they have anything to say or not. That's just not us. We hate spam in our inbox, so we assume you do too. What we can promise is, you'll only get a newsletter from **Amy Sever International** *IF* we have something important to bring you.

You are receiving this only because you signed up at [TheSealedBook.com](https://TheSealedBook.com) or [AmySever.com](https://AmySever.com) and told us you wanted us to stay in touch. Thank you for that.

This Inaugural Edition has a lot in it... So, if it's not too much to ask, please keep it around for bathroom or bedtime reading... or both.

Amy will explain our Mission and Mandate, as well as our formula for achieving it. We've got a stirring broadcast you may have missed, a warning, and even a bougee lemonade recipe we think you'll love!

All that and MORE! Enjoy!

## A Message from Amy Sever...

reading my "**Mandate & Mission**" below... Even if you need to skip passed all this history. We've been discovering hidden truths and telling anyone who would listen since we lived in Australia in 2013. We lived in Dee Why, north of Sydney... traveled all over the country, and met so many lifelong friends while we were there.

It was while living internationally, we realized the US mainstream media was lying... Complete lies.

I encourage you to not leave today without

We just didn't realize how deep it was at the time. When we moved back we began talking about what we *knew* and what we *thought* we knew... to a LOT of people who just wouldn't hear it.

Fast forward...

At **AmySever.com** you will see the "[Archived Broadcasts Page](#)" which has some of our earliest broadcasts. It's worth checking out because those broadcasts are even more relevant today!

### Brief Broadcast History

Steve and I, plus two of our adult kids were permanently banned from **Facebook**, **Messenger**, **Instagram**, **WhatsApp** and **Vimeo** in one day - Jan 26th 2021. We woke up to zero social media that morning.. We had tens of thousands of people following us at the time... All gone just like that! Imagine that happening in your own world. Would you like to see why? Go to **TheSealedBook.com** "[Units](#)"... That's what we had in my private Facebook Group - just mine - and they shut us all down. This is how we first learned the 3-letter agencies were being weaponized against the American people.

It might have been devastating, except it told us we were on to something big... So we doubled-down. We moved to YouTube, and were just about to hit 30,000 people... When YouTube banned us. But by then we had started [AmySever.com](#). That is the best place to find us today!

YOU may have lost us somewhere during those two years... If so, I'm happy you've found us again. Getting truth out to people has been a huge battle... against our own lying government, of all things. But the truther community is now growing by leaps and bounds because people are waking up.

So, what is unique about the hundreds of "**Opening The Sealed Book**" broadcasts?

### **Our Mission & Mandate**

Our mission is primarily to shed light on the scourge of human sex trafficking. So why all the truther news? Because it's our draw. If we told everyone right up front about the amount of child abuse and child sacrifice happening in the upper levels of government, industry and even churches... most people would mentally shut down right there. It's hard to hear. But we've seen it. And by now, we've seen too much of it.

So, first we introduce people to what they might not realize about their own government. I sprinkle in a lot of scripture during the truther news portion in order to show how God has been pointing all of this out all along.

And then, I get to what is most important... When the angel told Daniel in verse 12, to "seal up the book until the time of the end, when many shall run to and from and knowledge shall be increased"... He was talking about today... and I show you that daily in scripture.

**My Mission** is to show you that this is a spiritual battle. And your enemy wants the children any way he can get them... he wants to hurt The Father.

**My Mandate** is to bring awareness to all of it... To awaken those who are asleep to the truth... And to give YOU the knowledge and tools to start conversation and bring awareness to others.

So, here we are. People are waking up daily. And because you are receiving this newsletter... You are one of those people. Thank you!

**PLEASE, PLEASE** share what we do. **PLEASE** share **AmySever.com**. To make that easier, remember we have Amy Sever International Share Cards in our [Gift Shop!](#)

And please join me every day, Monday through Friday at AmySever.com for my latest effort to help awaken people... Show them what God is doing TODAY on the earth... And give them the tools to help others.

Blessings to You,  
Amy Sever

## MOST NOTABLE BROADCAST... Oct 17, 2023

With all of the Israel, Palestine, Hamas news going on... And with all the curiosity about where we are on the Biblical timeline right now...

Amy boldly & thoroughly takes on two key topics in this broadcast...

1) Who is Israel, Really? It's not who we've been taught. And...

2) What is the Rapture, Exactly? Again, it's not what we've been taught.

[WATCH](#) it now!

## OUR RECENT 3Rs RETREAT

This was our biggest 3Rs ever! And it was all about FREEDOM! Just like always. If you attended... then you know.

One of the main questions we get is...

**"What if I can't be on all 4 sessions? Is it recorded?"** YES, absolutely!

Maybe you can only make 1 or 2 of the 4 sessions... Either way, ALL of the video recordings AND the 3Rs Workbook PDFs are sent to you after it is over.

**Our next 3Rs Retreat is coming up in January of 2024... See you then!**

## OUR GIFT SHOP

You hear Amy talk about Kelsey Williams often when she promotes the Gift Shop. We met Kelsey and husband Mitch when they attended one of our 3Rs Online Retreats. Kelsey had mentioned her familiarity with Shopify. We had just decided to start using Shopify for our Gift Shop... So we asked her if she would help us... And, she said yes!

So, everything you see in our Amy Sever International Gift Shop is Kelsey's creation! ( ...with a few suggestions from Amy).

Please go to our [Gift Shop](#) and help create conversations by grabbing something with the AS logo on it. When someone asks you what the AS stands for, tell them “**Abolish Slavery**” (Isaiah 61:1-3) or “**Arise and Shine**” (Isaiah 60:1-3) or “**Always Safe**” (Psalm 91).

Then send them to AmySever.com so they can also begin bringing the truth to people about Human Trafficking. Thank You!

## SCAM WARNING

We all know scammers are everywhere. And we do the best we can do to protect our platforms... But sometimes "our best" is not enough.

Our **Telegram Channel** is our only means of chatting with our Sealed Book Family. And because anyone can join... sometimes bad actors create fake identities that look real. This is an example. So, here's the rule of thumb:

**We will NEVER reach out and initiate a conversation with you in any of our channels. EVER.** If someone does that as us... **Report, Block & Delete.**

**AND we will NEVER get in our chat and try to get you to invest in something. If you see that in our chat, it's not us!** So again... **Report, Block & Delete.**

## DONATIONS

*“If you have ever donated to this ministry at any level, we give you our deepest thanks. Leaving business behind for fulltime ministry has been a huge leap of faith for both of us. So, whether it’s donating, or just sharing what we do... We Thank You!” ~ Amy & Steve*

At **Amy Sever International** you will never wait through a commercial to see an online broadcast. It’s free. And we never charge a specific amount for anything we do online. Why? Because we don’t ever want anyone to not be able to receive what we are blessed to give, because of money. **So, everything we do online is donation-based.**

When we do a **3Rs Online Retreat**, your attendance is by donation. When we offer the play-back of an event, your ability to receive it is by donation.

Our system won’t let us charge \$0... But we have had many people attend our online events for just \$1. And that is possible because so many of you generously donate enough to make up the difference.

**As for our daily broadcasts, it’s a fulltime job for us... But it’s free to you!** And the only way we are able to continue our daily ministry is again, through the generosity of those of you that contribute monthly, or even just one time.

Our hope is for you to donate to our ministry based on the value of what you receive. That’s it. That’s what keeps us going.

How you give is up to you. The QR Code will get you there...

When you go to [AmySever.com/Donate](https://AmySever.com/Donate), you can donate by **credit card** or **debit card** through **PayPal** or **Stripe**... Both are very secure.

Many people prefer to donate by mail. If that is your preference...

You can make your check to  
**Amy Sever International...** and mail it to:

**Amy Sever International**  
**3245 W. Main Street #235-130**  
**Frisco, Texas 75034**

**THANK YOU!**
